4 RESPONSIBILITY

4.1 The Person in Charge

Yacht racing can be dangerous. The attention of Persons in Charge is drawn to RRS Fundamental Rule 4: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone" and to Special Regulation 1.02.1 which begins: "The safety of a boat and her crew is the sole and inescapable responsibility of the Person in Charge."

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- they are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;

- b) they are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- c) they accept responsibility for any injury, damage or loss to the extent caused by their own actions or omission;
- d) their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) the provision of a race management team and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- f) they are responsible for ensuring that their boat is equipped and seaworthy so as to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed, in date and familiar to the crew.

4.2 The RORC

The RORC, its sponsors and other organising clubs, accept no responsibility or liability for loss of life or injury to members or others, or for the loss of, or damage to, any vessel or property.

4.3 Starting and Continuing to Race

The Race Committee will make starting signals unless in their opinion it is manifestly unsafe for any of the boats entered to remain in the vicinity of the starting line. Each boat shall exercise her responsibility under RRS Fundamental Rule 4 and decide whether or not to start or to continue to race.

4.4 Race Declaration(s)

No boat will be accepted as an entry unless the Person in Charge has, before the start of the race, signed a declaration in the terms set out in NoR 16. The RORC reserves the right to require a signed declaration, in the terms set out in NoR 16, from each crewmember.

4.5 Safety and Lifesaving Equipment

Crew members' attention is drawn to RRS 1.2 Life-Saving Equipment: "Each competitor is individually responsible for wearing personal buoyancy adequate for the conditions."

However a lifejacket and harness shall be worn when on deck:

- Between the hours of sunset and sunrise
- When alone on deck
- When reefed
- When the true wind speed is 25 knots or above
- When the visibility is less than 1 nautical mile

See also Special Regulation and 5.07.1 (c).

All boats shall display the RORC Safety Sticker in a prominent place on board. The sticker is available from the RORC.

5 ELIGIBILITY - The Boat

However, no person may race contrary to the terms of a ban imposed by the RORC, a National Authority or World Sailing.

5.2 Boat Size

There is no maximum size for boats in the RORC Transatlantic Race.

The minimum size for monohulls is determined by their rating, and their SSS/STIX numbers. The minimum size for multihulls is 9.15 metres/30ft (LOA) with a minimum MOCRA rating of 1.200.

The committee may make exceptions on application.

5.3 Divisions

A Two-Handed Class within IRC will be available in the RORC Transatlantic Race. Boats will be eligible for both Two-Handed and IRC rating band class trophies. Automatic or wind-vane steering is permitted. This changes RRS 52. Entries must satisfy the committee that they have suitable and adequate experience and that their boat is appropriately prepared for two-handed sailing."

Offshore multihulls with endorsed MOCRA (Multihull Offshore Cruising and Racing Association) rating certificates may enter a multihull

division of the race. For more information on MOCRA and to apply for a rating visit the MOCRA website (<http://www.mocra-sailing.co.uk/>). The minimum crew for multihulls is two. In two-handed multihulls automatic or wind-vane steering is permitted. This changes RRS 52.

5.4 Changes to IRC, ORC and ORCSY Rules

5.4.1 Spare Mainsail

A spare mainsail may be on board but shall not be used unless the racing mainsail is damaged beyond repair. The use of the spare mainsail must be declared on the Race Declaration.

5.4.2 Spinnakers

In accordance with GBR Rule Authority prescription published on www.rorcrating.com IRC Rule 21.6.1 is changed to the extent that a boat may carry one more spinnaker than shown on her current certificate of area not greater than rated SPA without an increase in rating.

5.4.3 Crew Numbers

IRC Rule 22.4.2 is deleted and replaced by: "The maximum number of crew that may sail aboard a boat shall be the number shown on the certificate. There is no weight limit."

The minimum number of crew is 3 except as allowed in NoR 5.3.1.5 Two-Handed Class

Before the race, the Person in Charge shall complete an OSR Checklist to Category 1 (available on the *Documents Page*).

In accordance with OSR 3.04 the RORC uses minimum stability/buoyancy indices. Monohull yachts not racing under IRC, ORC or ORCSY shall satisfy the RORC that they meet the requirements of other stability indices for the category of race.

In exceptional circumstances the RORC may accept other indicators as to the suitability of the boat for the race.

To the best of my knowledge the information I have given is accurate. I understand that yacht racing can be dangerous. I agree that the RORC, organising clubs, the Rolex SA, the Rolex UK, other sponsors and their agents, have no responsibility for loss of life or injury to members or others, or for the loss of, or damage to any vessel or property. I have paid particular attention to and agree to be bound by Special Regulation 1.02 and I have read and understand and where appropriate agree to be bound by RORC NoR 4 Responsibility. Before racing I will effect adequate and suitable insurance. Before racing I will ensure that my crew is aware of:

- the undertaking in this Declaration
- the importance of effecting appropriate personal insurance
- their responsibility in rules observance, and in particular RRS 1.2 (wearing personal buoyancy adequate for the conditions). See also RORC Prescription to the Special Regulations 5.01.5

I agree to be bound by RRS, RYA Prescriptions, this Notice of Race, World Sailing Offshore Special Regulations and other applicable rules. The boat will be available for inspection. If any alteration likely to affect the handicap or rating is made, e.g. to sails, rig, mast, ballast, trim, engine or propeller, I will notify the Rating Authority and Race Committee immediately. I will ensure that no crew member races on my boat contrary to the terms of any ban imposed by World Sailing, or a National Authority or the RORC.

I understand and agree that the information given in this race entry and also the race entry lists and results will be maintained on the Club's computer to be used for all aspects of race organisation.
